CMS-10661 Limit on Federal Financial Participation for Durable Medical Equipment in Medicaid

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

#### Information Collection

1. Type of Information Collection Request: New collection (Request for a new OMB control number); Title of Information Collection: Limit on Federal Financial Participation for Durable Medical Equipment in Medicaid; Use: Section 1903(i)(27) of the Social Security Act prohibits federal Medicaid reimbursement to states for certain durable medical equipment (DME) expenditures that are, in the aggregate, in excess of what Medicare would have paid for such items. To comply with the statute, each state must demonstrate that it is not spending in excess of what Medicare would have paid for the relevant DME items. We would require the minimal amount of information be collected from states to comply with this statute (at 8 hours per state per year). More specifically, we would ask states to demonstrate compliance by filling in their DME fee schedules onto the new spreadsheet page with the relevant information- HCPCS code series A, K, and E only, that are relevant to this information collection of durable medical equipment. Form Number: CMS-10661 (OMB control number: 0938-New); Frequency: Yearly; Affected Public: State, Local, or

Tribal Governments; Number of Respondents: 56; Total Annual Responses: 56; Total Annual Hours: 448. (For policy questions regarding this collection contact Richard Kimball at 410-786-2278.
